†\$5 per \$1000 of equalized valuation must be raised for elementary schools to qualify for state aid. The net assessment must contain this amount in addition to funds raised for high school maintenance and other statutory requirements.

Equalized valuation is \$240,259. Amount of \$5 tax is \$1,201.30.

REPORT OF SUPERINTENDENT

To the School Board and Citizens of Eaton:

Miss Campbell, who had been your teacher for two years, resigned last spring and Aimee B. Boynton of Meredith was engaged for the present year. The school is in a very satisfactory condition and the instruction and discipline are excellent. There are twenty-six names on the register at this date.

The statistics for last year show these items of interest. Number enrolled, 29; percentage of attendance, 90; cases of tardiness, 17; visits of the superintendent, 17; number of pupils transferred, 19.

The report of medical inspection shows one correction of vision, and 20 dental corrections.

The attendance record last year was much below the average due in part to epidemics. The attendance this year should show improvement.

The amount to be raised to balance the budget under article eight is \$1,988.40. It should be noted that the state aid allowed for next year is \$917.60 as against \$1,531 allowed this year.

Respectfully submitted,

JOHN H. FULLER,

Superintendent.

North Conway, N. H., February 16, 1938.
